Как строится работа

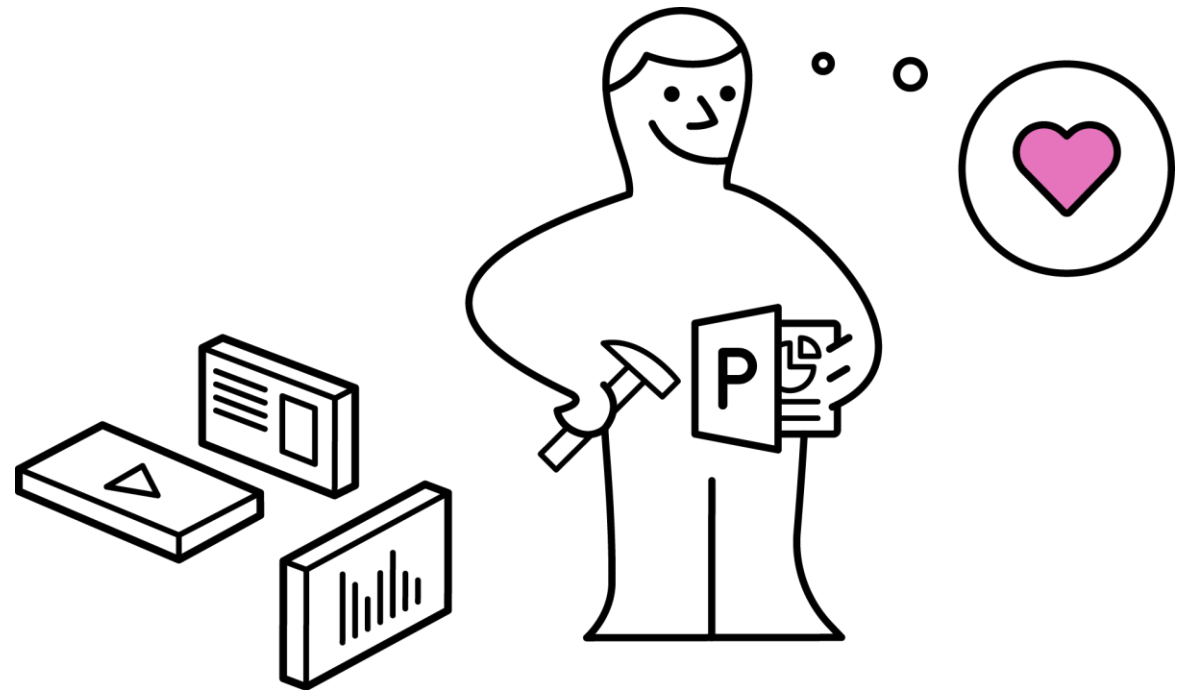

Заполняете бриф.

Создаю дизайн-концепт, чтобы понять, что мы на правильном пути.

Согласовали, делаю презентацию.

Тестирую слайды на контрастность, совместимость, чтобы не слетали шрифты и т.д.

Презентация готова!

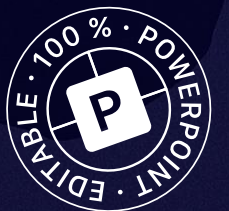

Всё это в PowerPoint

В работе использую Adobe CC, Figma, разные сервисы и AI. Но результат, включая анимации, — это файлы в формате PPTX.
